### PROFILE

I'm a graphic designer with experience in branding, logo design, social media visuals, video editing, and photography. Passionate about turning ideas into creative visuals and ready for exciting new challenges! I'm looking for a full-time position where I can grow, learn, and add value to a creative team. Skilled in Adobe Photoshop, Illustrator, and Premiere Pro, and always open to improving my craft. I love exploring new design trends and finding fresh ways to communicate through visuals.
